

Caney Creek High School Summer Reading for Freshmen (9th grade)

In Conroe ISD, we encourage all students to read over the summer in order to enrich learning and provoke thought. Summer reading strengthens reading skills, increases academic achievement, fosters a love for reading, and empowers students to become life-long learners.

En Conroe ISD, animamos a todos los estudiantes a leer durante el verano para enriquecer el aprendizaje y provocar el pensamiento. La lectura de verano fortalece las habilidades de lectura, aumenta el rendimiento académico, fomenta el amor por la lectura y permite a los estudiantes convertirse en aprendices de por vida.

In order to have a successful freshman year in English I, students need to have some texts to refer to as models. Your freshmen teachers would like you to read **ONE** of the text sets. **Just read them.** It really is that simple. Be prepared to discuss your selected text set during the first full week of school. Please be aware that the text sets below range from elementary-level reading to high school-level reading materials. As a parent, please remain aware throughout the year to the text sets or books your child has chosen to read and assist in gauging appropriateness because what is considered “appropriate” may vary from one parent to another.

If you cannot access these texts digitally by the end of the year, please see your 8th grade teacher for a hard copy. All texts are available on the Caney Creek website by clicking on the links, typing the links below, or using the QR code. If you have any questions or issues accessing the selections, you can email Mr. Rust at grust@conroeisd.net
